

California Partnership for the San Joaquin Valley
Strategic Action Proposal
Draft 9-8-06

The San Joaquin Valley: California's 21st Century Opportunity

Section V.
Work Group Recommendations

Attached are the compilation of the ten Work Group recommendations setting forth specific actions into a 10-year timeframe. Each of the recommendations delineate for the topic of focus:

- Vision
- Metrics
- Indicators
- Goals
- Objectives
- Actions
 - Immediate Actions (First Year)
 - Short Term Actions (2-3 Years)
 - Intermediate Actions (4-6 Years)
 - Long Term Actions (7-10 Years)
- Responsible Implementer

After the Strategic Action Proposal is adopted the Partnership Board will develop a detailed Work Plan to prioritize and organize implementation of the “first year” actions. The Partnership Board also will re-establish new committees and work groups to lead and oversee implementation.

The Annual Report will track progress on each of the Work Group recommendations to ensure accountability to the public.
